HOMELAND SECURITY DIGITAL LIBRARY (HSDL)
Securing the Homeland through the Power of Information

ABOUT THE LIBRARY
The Homeland Security Digital Library is the nation’s premier collection of documents relating to homeland security policy, strategy, and organizational management.

The HSDL’s mission is to strengthen the national security of the United States by supporting federal, state, local, and tribal analysis, debate, and decision-making needs and to assist academics of all disciplines in homeland defense and security related research.

THE COLLECTION
The HSDL team of librarians and content analysts gathers and evaluates resources for inclusion in the HSDL collection. These resources cover a wide range of homeland security topics and issues. Many of these resources are also organized into special collections for quick access, for example:
- Policy, Strategy, and Legislation
- Government Reports and Research
- Featured Topics with key resources on homeland security issues.

The Public Collection, in keeping with Open Government initiatives, includes publicly available resources from all U.S. federal departments and agencies.

The Full Collection contains everything in the Public Collection, plus resources from a wide variety of domestic and international research and policy organizations.

by number of documents

- Full Collection, 72,900
- Public Collection, 95,500

168,400

HSDL INSIGHTS
Since Inception January 2003

| Subscribers to Critical Releases in Homeland Security | 32,780 |
| Subscribers to the HSDL Quarterly Newsletter | 34,980 |

POLICY & STRATEGY DOCUMENTS
Find selected policy, planning and strategy documents from the three branches and from major federal agencies. Browse selected public laws affecting homeland security from 1940 to the present. Search across homeland security-related Executive Orders (EOs) and Presidential Directives (e.g., PDs, PDDs, HSPDs)

CYBER POLICY | 31 FEATURED RESOURCES

UNMANNED SYSTEMS | 28 FEATURED RESOURCES

BLOG: ON THE HOMEFRONT
• Brief Posts highlighting recent reports and current issues in homeland security.
• Calendar of upcoming conferences, events and important dates in homeland security history.

INDIVIDUAL ACCESS
Anyone may access the HSDL Public Collection. No registration is required.

To be eligible for an account and access to the Full Collection, you must be a U.S. citizen and one of the following:
• Federal, territorial, tribal, state, or local U.S. government official.
• Member of the U.S. military.
• Homeland security researcher or academic.
• Security staff protecting organizations vital to U.S. infrastructure.

ORGANIZATION-WIDE ACCESS
Available for U.S. military installations; federal, territorial, tribal, state, or local U.S. government agencies; and public-sector research institutions or university libraries.

ACCOUNT SERVICES
Individual HSDL account holders have access to the complete collection, plus the following features:
• Email Alerts - weekly updates of new resources added to the collection based on your own search criteria.
• Critical Releases - carefully curated list highlighting the five most significant resources added to the HSDL in the past two weeks.
• Quarterly Newsletter - in depth articles on current and trending topics and useful HSDL feature.
