## READ JOURNAL CONTENT

*Homeland Security Affairs* captures the best work of scholars and practitioners throughout the nation through peer-reviewed articles on new strategies, policies, concepts and data relating to every aspect of homeland security. HSA articles constitute not only the “smart practices” but also the evolution of homeland security as an emerging academic and professional discipline.

## SUBMIT ARTICLES

*Homeland Security Affairs* accepts submissions of original research articles, short-form articles, essays and media reviews.

Co-authored papers are acceptable and papers may be excerpted from a larger work (e.g., a thesis or book manuscript).

*Homeland Security Affairs* is an open access journal. This means that users may, free of charge, read, download, copy, distribute, print, search, link to the full texts of these articles, or use them for any other lawful purpose.

## JOURNAL CONTRIBUTORS

Contributors to *Homeland Security Affairs* represent the leading subject matter experts and practitioners in the field of homeland security and include instructors, alumni, participants in CHDS programs and partners of CHDS. The journal captures the best of their collective work, as well as that of scholars and practitioners throughout the nation.
